**Ej
gungning
i liften**

SWEDEN

SWITZERLAND

A variant identical to the Italian UNI version is also used

**EXAMPLE OF A SIGNAL WITH IDENTICAL PICTOGRAM
AND DIFFERENT DESCRIPTION**

No skiing in the lift area

No skiing in the lift area

*Don't skialone outside
the slope area*

*Don't ski alone outside
the slope area*

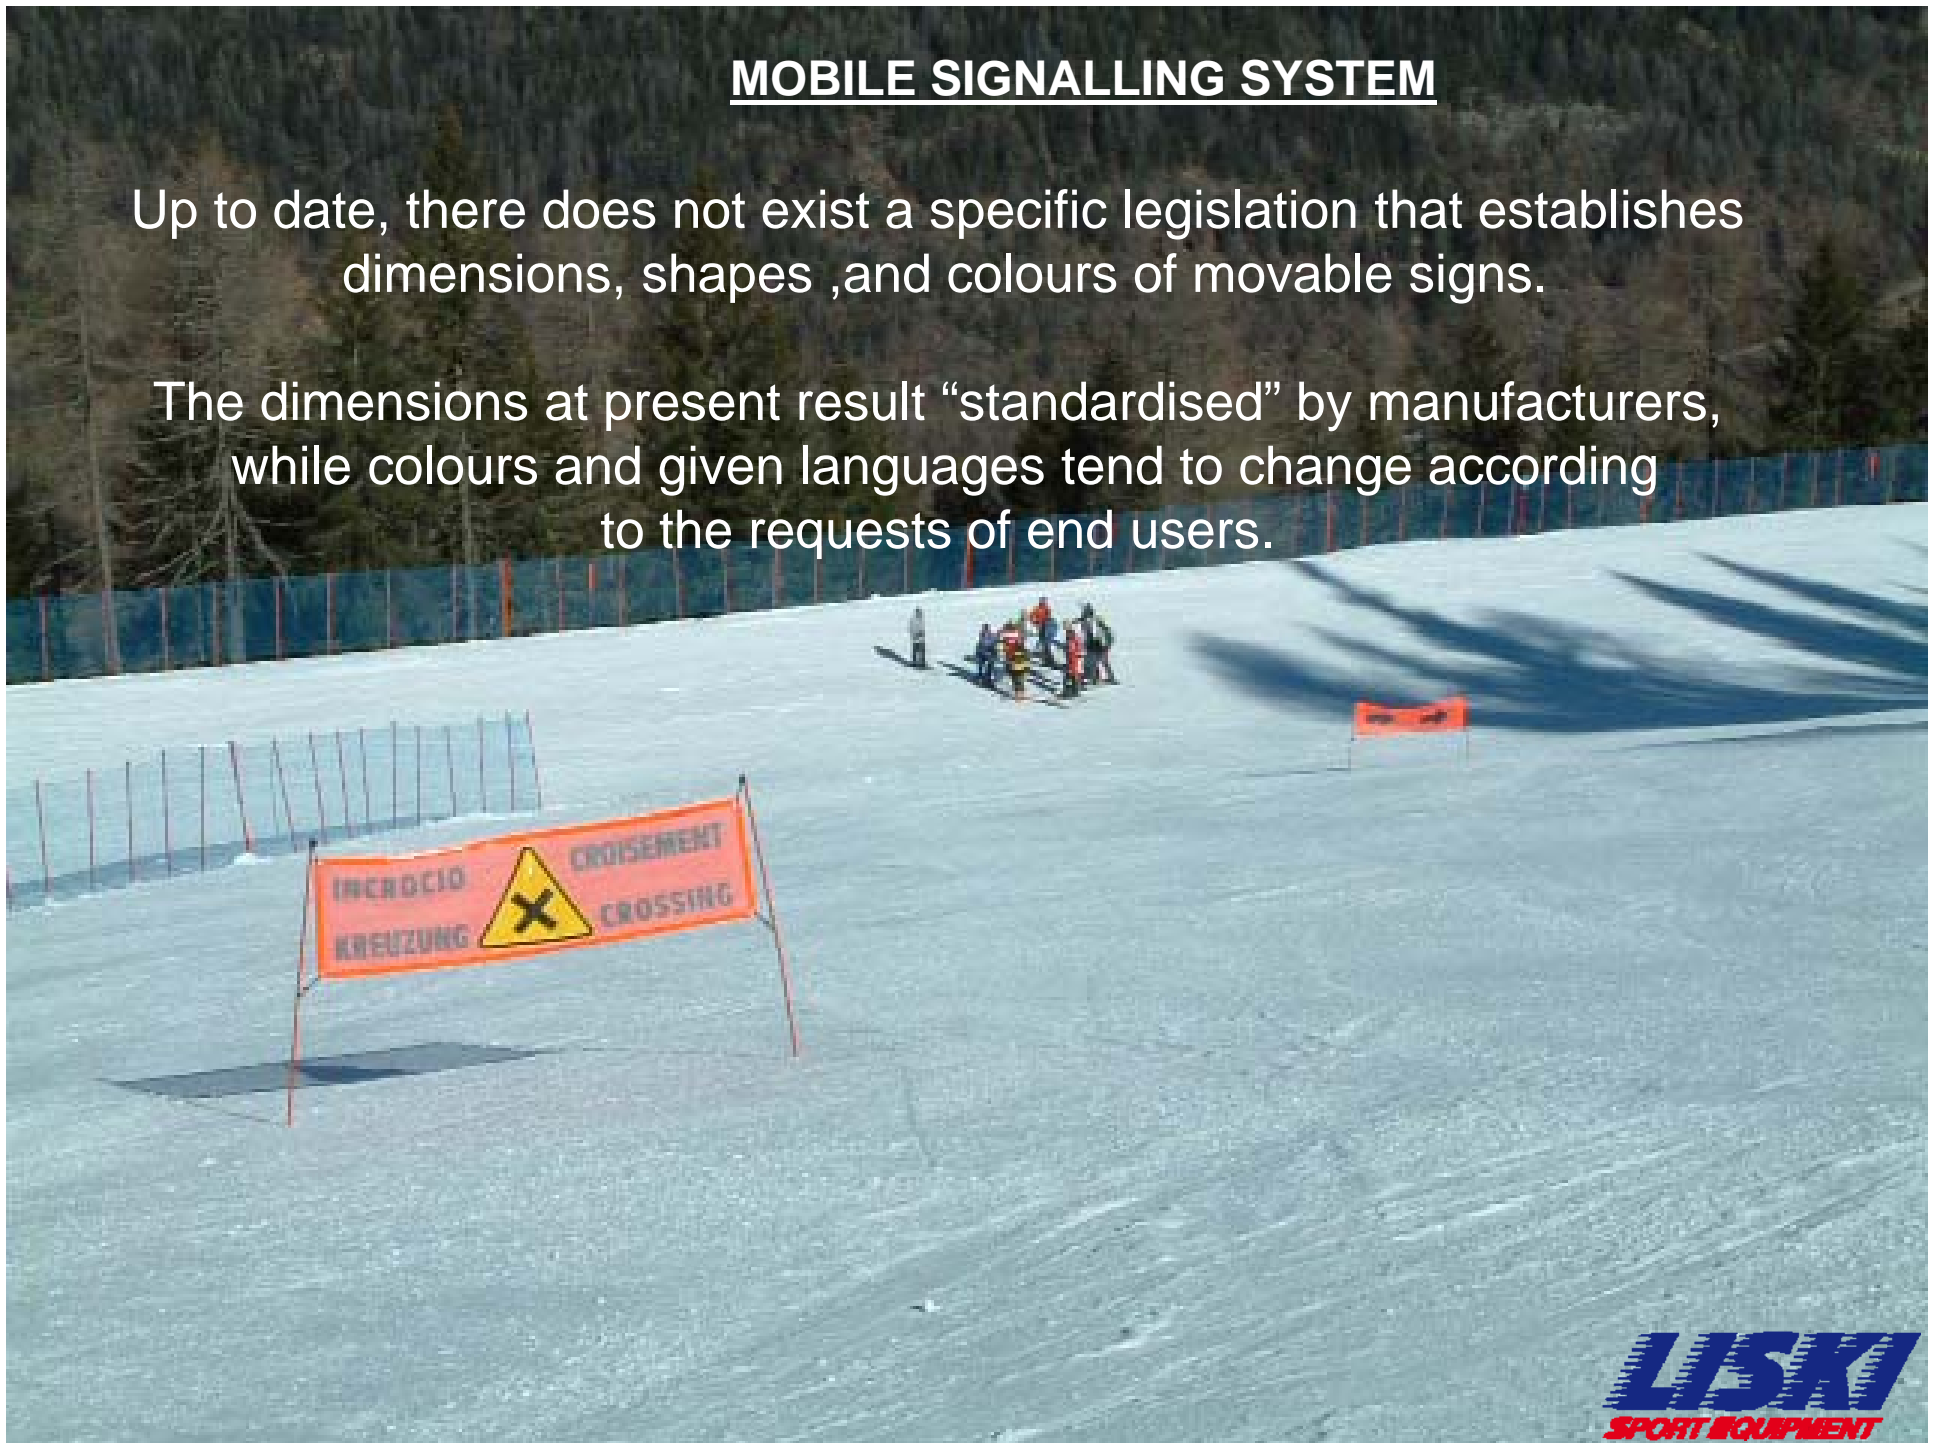

*Skiing outside marked
slopes on your own risk*

*Skiing outside marked
slopes on your own risk*

MOBILE SIGNALLING SYSTEM

Up to date, there does not exist a specific legislation that establishes dimensions, shapes ,and colours of movable signs.

The dimensions at present result “standardised” by manufacturers, while colours and given languages tend to change according to the requests of end users.

EXAMPLES OF MOBILE SIGNALING SYSTEM

**SOLO ESPERTI
EXPERT ONLY**

**SCI DA FREESTYLE OBBLIGATORIO
TWIN TIP SKI ONLY**

SOCCORSO

SECOURS

RESCUE

HILFE

SAKTE
